Bonnie Tyler, Baby Goodnight

(Mike Heron)

He knows the way right to me Closer than my heartbeat he comes Moving on my wave-length easy When we make love completely Sleepy and soft he breathes You melt me, you fill me Baby goodnight, baby goodnight Simple words, but they mean a lot to me To fall asleep with your kiss warm on my lips Baby goodnight, baby goodnight Sleepy and soft he breathes You melt me, you fill me Baby goodnight, baby goodnight Simple words, but they mean a lot to me To fall asleep with your kiss warm on my lips Baby goodnight, baby goodnight He knows the way right to me Closer than my heartbeat he comes Moving on my wave-length easy When we make love completely Sleepy and soft he breathes You melt me, you fill me Baby goodnight, baby goodnight Simple words, but they mean a lot to me To fall asleep with your kiss warm on my lips Baby goodnight, baby goodnight Simple words, but they mean a lot to me That's as good as a goodnight can be
