

Bonnie Tyler, Louise

(Paul D. Fitzgerald - B. Tyler/ Paul D. Fitzgerald - John Stage)

I watched you move - so self assured
So merciless - so quiet
You chose your prey - eyes cold and grey
You feel compelled - to try it
A panther's walk - a panther's talk
A million men - still buy it
Any woman could see -
What you were trying to do - to me

LOUISE can't see the wood for the trees
Why don't you leave well alone
When love's in its home
Woman to Woman - oh, please

You're dressed to kill - you always will
Need heads to keep on turning
Love's not skin deep - it's hard to keep
It's what you're never learning
Any woman could see -
What you were trying to do to me

LOUISE can't see the wood for the trees
Why don't you leave well alone
When love's in its home
Woman to Woman - oh, please

LOUISE - Woman to woman - oh, please
Leave him alone -
Find a love of your own
Don't bring my world - to its knees

Oh no no no no no no no

[Instrumental Break]

LOUISE can't see the wood for the trees
Why don't you leave well alone
When love's in its home
Woman to Woman - Oh, please

LOUISE - Woman to woman - oh, please
Leave him alone -
Find a love of your own
Don't bring my world - to its knees

LOUISE can't see the wood for the trees
Why don't you leave well alone
When love's in its home
Woman to Woman - Oh, please

LOUISE - Woman to woman - oh, please
Leave him alone -
Find a love of your own
Oh, I'm begging you please - to its knees
