

Bonnie Tyler, Save Your Love

G: I've always wondered alone
Afraid and on my own
But up to now I think of you
B: Memories lost and regained
Seem to refrain me
On days that weren't quite so blue

(chorus)

A: Save your love
Like it means the world to you
Cause that's exactly what your love means to me
It's like a spirit lost and finally set free
Come on and save your love
Save your love for me

G: You often told me your feelings
Hiding down deep within
Where do I begin
B: So I'll keep on singing that song
Hope you'll sing along
Then maybe someday we'll be friends
