

# Bonnie Tyler, Shy with you

More than often when I'm with you  
I become a nervous kid  
I imagine your old girlfriends  
I imagine what you did  
I don't know if this is normal  
I don't know if this is love  
With you I get so formal  
And I feel all this other stuff  
Shy with you  
Though I've been around the block  
Shy with you  
Cause you're the one I really want  
Other guys I don't care about  
So easy with them  
Anything you can do without  
So easy to win  
I can't do without your love  
So I try to play it cool  
Everytime you call my bluff  
I just stand there like a fool  
Shy with you  
Though I've been around the block  
Shy with you  
Cause you're the one I really want  
Shy with you  
Sometimes a heart can hurt a lot  
Shy with you  
Cause you're the one I really want  
I need your love  
I need your love to see me through  
I want you  
I want you and so it's true  
Shy with you...shy with you...shy with you
