Bonnie Tyler, (you Make Me Feel Like) A Natural

Looking out on the morning rain
I used to feel uninspired
And when I knew, I'd have to face another day
Lord, it made me feel so tired
Before the day I met you, life was so unkind
Now you're the key to my peace of mind
And you make me feel, you make me feel
You make me feel like a natural woman
And when my soul was in the lost and found
You came along to claim it
I didn't know just what was wrong with me
Your kiss helped me name it
Now, I'm no longer doubtful of what I'm living for
'Cause if I make you happy, I don't need to do more
 And you make me feel, you make me feel
You make me feel like a natural woman
Oh, baby, what you've done to me?
You know, you make me feel so good at inside
And it's just gonna be
Lord, you know, you make me feel so alive
You make me feel, you make me feel
You make me feel like a natural woman
You make me feel, you make me feel
You make me feel like a natural woman
You make me feel, you make me feel
You make me feel like a natural woman
You make me feel, you make me feel
You make me feel like a natural woman
