

# Bonzo Dog Band, Fresh Wound

It'll only take a minute of your time  
To tell you I love you  
Oh, you shouldn't be such a tease  
Oh, oh woah  
Oh, oh woah

Every time I look into your eyes  
I know that I love you  
Oh I'm beggin' on bended knees  
Ooh, oh woah  
Ooh, oh woah

Girl, when I see you tonight  
Oh, I'm gonna make you mine  
Girl, when I see you tonight  
Everything'll be fi- HINE!!

C'mon George, snap out of it

Yes, if you'll just give me a minute of your time,  
I will explain!

Truth is just a word and words are just  
Words are words but truth is what we trust  
How can we know if words fill our brains?  
How can we show if blood fills our veins?  
Truth in words is like our blood congealed  
Words like turds escape but truth is sealed  
Analysis  
Transplant has gone wrong  
Paralysis  
Now you don't belong

I'm like a fresh wound over you  
Over you

So meet me on the corner of your life  
Meet me on the corner of your life ah!  
Meet me on the corner of your life!  
Baby baby baby baby oh baby!  
Baaaaybeee, baby, baby oh baby!  
Rabbit, rabbit, rabbit, oh, rabbit on me now!  
All over me!  
All over me now!  
Take it home!  
Take it all! I want it all!  
Oh, right in the kidneys, baby!

C'mon, I know you can bring it on home
