

# Bonzo Dog Band, I Want To Be With You

There are things that must be done  
That are not yet begun  
Things that I must do  
When I want to be with you  
Although we're far apart  
You're with me in my heart  
No one else will do  
I just want to be with you

I want to be with you  
Can't you hear me?  
I need you near me  
I want to be with you  
I need you near me, my love

The two of us are one  
Mother of my son  
No one else will do  
I just want to be with you

I want to be with you  
Can you hear me?  
I need you near me  
I want to be with you  
I need you near me, my love
