One-two-three kick.

Come on everybody, clap your hands. Ooooh. You're looking good.

A you having a good time. I sure am.

Do you like soul music ....

No.

Well,

Do the Trouser Press, baby, Oooh?

Do the Trouser Press, baby, Wo-om-om-om,

Do the Trouser Press, baby, Ooooooooooom,

Do the Trouser Press, baby, Wah-oh-oh-oh.

Give it all you can, it's much better than  
The pre-fabricated concrete coal-bunker.

Trouser it to me .....(Shirt-grip)

You've got me in creases,

What a turn-up for the books now,

Don't hang me up now.
