

Boo Radleys, Wilder

Could I get much colder
To live somewhere else
In my head and in my heart
Is it too much to forgive

And if I were much wiser
Maybe I would realise
That it's not where you are
It's who you're with

But maybe it's brighter down there
Maybe it's wilder
Maybe it's brighter down there
Maybe it's wilder

You have seen the worst of me
For that I'm truly sorry
It's not you, it's this place
And not knowing where to turn

Maybe I would be sorry
But I need to find out
I know you don't understand
I can't blame you for that

But maybe it's brighter down there
Maybe it's wilder
maybe it's brighter down there
Maybe it's wilder
