

# Boogie Down Productions, 13 And Good

I walked in the place very big space  
Every kind of race dancin' and niggas made chase  
A very pretty face, feel the bass  
Basses kick, fly girl jumps on my tip  
The drink that I sip implies this it it  
She looked to be about 26 I ain't dizzy  
It's time to get busy  
Welcome female is in my arms  
Overwhelmed by my playboy charms  
We jumped in the ride rushed to the crib  
I ain't gotta explain what we did  
Built to last I simply waxed that  
Ax the question, no need for guessin'  
Hey baby, how old are you?  
21, 24 maybe 22  
I'm twenty-five  
She shucked and kinda neeghed  
And said, "Hee, hee, hee I'm only 13"  
13, I need a quick escape  
That's statutory rape but she was good  
Good  
(You should been there she was)  
Good  
(Man that jail term won't be)  
Good  
(But she looked)  
Good  
(Man her brothers will beat you)  
Good  
(Even if I get beat down it was still)  
Good  
The story gets better, This girl is kinda clever  
She said, "I wanna be with you forever"  
I said, "Forget it I need to get my life in order  
You could almost be my daughter"  
She started sighin' and her sighin' turns into cryin'  
Her cryin' turns into her replyin'  
"Where's the phone? I think it's time that I went home"  
She called her pops and said, "Come get me I'm all alone  
I'm sorry daddy I slept with an older man  
He said, "Don't worry, the 45 is in my hand"  
I'll be there before you count to four"  
One two three four  
He's at my door  
She said, "See what you did you caused me all this grief.  
Your goin' to jail my daddy's a police chief  
If I can't have you no one will and I ain't even on the pill"  
But you was  
Good

Daddy walked in and the whole scene kinda changed  
He grabbed his daughter and almost beat the girl insane  
She's cryin' down the hall and now goin' home  
He closed the door and "I'm happy we're all alone"  
Jump on the bed and look me straight into my eyes  
I think your kinda cute, don't make me use my 45  
Daddy's lookin' for a lubricant  
He pulled out a little piece of gum and started chemwin' it  
He said, "For year I've been lookin' for a big strong man  
I've got an apartment out in Brooklyn  
Only my daughter and I live there  
You can see my daughter anytime, anywhere  
But it's you that I want to be mine

The price tag is your behind  
Don't worry it'll be

The morale of this story?  
There is no morale you finish the story for me  
When you're livin' your life everyday in the hood  
Wakin' up in the mornin' should feel  
Good
