All over the world...

#### Chorus:

Black drug dealer, you have to wise up And organize your business so that we can rise up If your gonna sell crack then don't be a fool Organize your money and open up a school

## Verse One:

Drug dealer, understand historical fact Every race got ahead from sellin drugs except Black We are under attack, here comes another cold fact In the 30's and 40's a drug dealer wasn't black They were Jewish, Italian, Irish, Polish, etc. etc. Now in 90 their live's a lot better They'll sell you a sweater, a pair of pants cold hearted But first sellin drugs and killin people is how they started Drug dealer, black and Hispanic, stop killin one another Cause in the ghetto we're all brothers Organized economically, understand the psychology America is the drug monopoly They own the block and kill your brother for Therefore, we got the same enemy - what's more, I go on tour But who do you think picks up the bill? A hard workin fireman? Chill

### Repeat Chorus 2X

#### Verse Two:

Eighty percent of American business is created illegally This is a fact I don't ask you to believe in me If you're really in the drug game to win it Eventually you're gonna get shot, open a clinic Again, if you're really in the drug game to win it Invest in a prison, therefore you can be put in it Everyone else did it now they chillin Above the law, while your under the law still killin One another, wake up my Hispanic brother, my African brother America's not your mother Or your father, so don't bother with right or wrong Just check out the logic in the song Organize, realize, become unhypnotized To the lies that your livin for the get high See many people have forgotten the fact That America was never ever built for Black So when some people are gonna run and buy crack Take the money and put it back into Black It's only logic, see KRS-One will rock it With knowledge, education for the people I'll never stop it Organize and legitimize your business Remember, everybody else did this

Repeat Chorus 2X
