What can they do, what can they say?
They can't live without your love.. another day..

(FI-YAH, FI-YAH, FI-YAH)

They need you, in their lives They know, your love is right

You're the inspiration, that sweet revelation

And all of their hopes (Jah Rulez) and their salvation

When they hear your name, that fire BURNS.. (nowhere)

Their very soul (kyan't move without the movement of Jah, seen?)

And what can they do, what can they say

They can't live without your love.. another day..

What can they say?

Where do they go, what can they do

Breathe without you?
