

Boogie Pimps, Sunny-Real

I love you
I love you
I love you
Sunny

Sunny
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you

Rewind back

Sunny
Yesterday my life was filled with rain
Sunny
You smiled at me and you really eased the pain
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you

I love you

I can do, can do, can do, can do
Rewind back

Sunny
Yesterday my life was filled with rain
Sunny
You smiled at me and here you really eased the pain
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you

I love you, Love you, love you, love you, I love you,
love you, love love you, I love you

Sunny
Yesterday my life was filled with rain
Sunny
You smiled at me and here you really eased the pain
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you
