

Book Of Love, Champagne Wishes

I wonder what would happen
if all your dreams came true
I wonder if you'd like having cake
and eating it too

Champagne wishes and caviar dreams

But you're too blind to notice
the writing on the wall
the higher that you fly
the harder you fall

Champagne wishes and caviar dreams
champagne wishes and caviar dreams
are as wonderful
as they seem

A friend in need is a friend indeed
unless they're inspired by their own greed
those people should practice what they preach
instead of longing for what's out of reach

Champagne wishes and caviar dreams
