

# Book Of Love, Lost In Your Eyes (Modigliani)

Darkest night  
candlelight  
your hands were soft  
your skin too pale  
white on white  
I had to turn away  
from your light

I could see you  
laugh at me  
you knew what  
I was thinking inside  
with one look  
of your all seeing eyes

Wear the disguise  
I'm lost in your eyes

Your glance felt  
like a knife  
so clear, so blue  
I was swimming inside  
I was swimming inside

You'll always be  
real to me  
I took one look  
I could fly away  
stare, stare  
in your all seeing eyes  
till starlight

You wear the disguise  
I'm lost in your eyes

Amedio,  
gli occhi tuoi  
mi anno fatto innamorare
