

Book Of Love, Melt My Heart

My heart is aching
whenever I'm with you
you turned me inside out and
I don't know what to do
a tempting treat
is tearing me apart
the taste of fruit
is melting my heart

Now I'm yours forever
ate a pomegranate seed
I only took a little bite but
that's all I need
I know that this is crazy
and not very smart
but I like the way it feels to
have a melting heart

Spring is almost over
at least that's what I'm told
the flowers and the leaves will die
and we'll grow old
but I'll sit on a cushion
and indulge in my dream
and feast upon strawberries
sugar and cream

Melt my heart
melt my heart
melt my heart
melt my heart
