

Book Of Love, Sea Of Tranquility

I'm seeing stars
up in the air
my head in the clouds
imagining you there
I know the place
I would like for us to be
floating along
in peace and serenity

In the sea of tranquility

Not even you
could ruin my perfect day
but it wasn't perfect
without you anyway
I'm seeing stars
up in the sky
making a wish
as you drift by

In the sea of tranquility

Seeing stars
whenever you're around
high hopes
keep my feet off of the ground
but the sky is falling
and I don't know what to think
sailing on the ocean
in a ship that's gonna sink

In the sea of tranquility
