

Book Of Love, Still Angry

Not around now
I'm rid of you
can't be trusted
can't be true

I'm still angry
still sour
much too little
or much too much

Still angry

Not a Romeo
not you
you blamed me
for what you couldn't do

Why did you bother
to tease me
when you knew you
couldn't please me

Still angry

I'm still angry
still sour
much too little
or much too much

Still angry
