

Boom Shaka, Beggar In A Goldmine

rich man in his castle with his pocket full of gold
but his starving from hunger
theres no water you can give him
to ever quench his soul
cry blood on the sufferer

beggar in a gold mine
looking for gold
beggar in a gold mine
beggar in a gold mine
looking for his gold
beggar in a goldmine
checking on his loot

beggar looking for a savior in the endless sky
tell me why in a world of plenty
there aint no reason why
that so many wont survive
too much

beggar in a gold mine
looking for gold
beggar in a goldmine
beggar in a goldmine
looking for his gold
beggar in a goldmine
checking on his loot
