

Boomkat, The Wreckoning (With Rap)

I came I saw I kicked some ass
The pain I cause, it makes me laugh
Cause the way I do my thing is strange
I just inject myself into your veins
Yeah

Can't Run Can't Hide
There's no way out
The sun will Rise and it's about
Time for the Wreckoning
Time Time for this girl to sing

Chorus

Damn If I thought that you would change and my life would stay the same
A, When you don't even care about me
you no, you don't give a damn
A thing will come and a things will go and one thing I no fo show is that you don;t
give a damn about me and so
I'm walking out the door

Ohh yeah ohh

Can't move can't breathe

It's getting dark

The beast has come to steal your heart

So you better practice your scream

Or you may not live your dream ohhhh

Chorus2

A Thing will come and a thing will go but there's one thing i no fo sho is that
