

# Boot Camp Clik, That's Tough (Little Bit)

(Chorus: Tek and (Starang))

Get a little bit of ass and a little bit of head (take that)  
Little bit of haze and a little bit of dro (pass that yo)  
Get a little bit of goose and a little bit of mo (swig that)  
Little bit of this little bit of that (true true true) that's tough  
Get a little bit ex and a little bit of sex (mix that)  
Little bit of coke and a little bit of dope (slang that)  
Get a nice jersey along with a fit  
Little bit of ones little bit of guns (stack that)  
Little bit of Rocawear and some nice products (like that)  
Little bit Nike and a little bit of Gucci (cop that yo)  
Little bit of this and a little bit of that (true true true)

(Tek)

I know name is range bout' to get he rover man  
Yall new names finito yall over lanes  
Peep my form necks backs and pecks  
Jeep wagon Cadillac truck drop Lex  
I mean big checks and guns  
Asses on bitches  
E.P.M.D. album "Strictly Business"  
I'm mean on the fizzy flow  
Beam on the crizzy fo  
Pockets got them lumps and I lean off the drizzy dro  
So who know fuckin with smoke besides ya girl  
Stick a dick all in her throat until she hurl  
See Tek in the cars or treat us at the bar  
Or V.I.P. and envy  
(Starang and Tek combined)

(Starang)

Dressed up in Sweatpants, headbands call Dru  
collect my advance  
Hit the club up  
Bouncer type chumps looking cut up  
What up? Will in the house spark bud up  
Switch up park the truck pull the six up  
Almost had to smack some bitch up (for what yo?)  
Opening the door I'm tryin to get my dick sucked  
Ain't no mix up as I spark the spliff up  
In the club I can't be on the low  
Cause some ho from some show  
Be like I know yo  
I can't even get my grime on  
Back up man I ain't here to get my rhyme on  
Spend a little time until my time gone  
Weed and Hennessey got a nigga mind gone yo

(Chorus)

(Buckshot)

Who that little bad ass nigga named Buck?  
Made a little fast cash got a little stuck  
Got a little fucked up in the game so what  
I don't care when I'm here put your dancers up  
Hands up or stand down  
Cause if it get deeper than this in this bitch  
Their comin like man down  
A little bit of bouncers now  
I know they wanna bounce us now  
Seein the \_\_\_\_ by the little clout  
Little shorty bad as hell  
But look fowl come a little close to the crook  
Don't get shook now

I'm hooked now  
You got a little body on you baby  
probably already took now  
I spit a little game and you came  
Got you like who that little man with the little frame?  
A little fame  
Your fuckin with the Boot Camp Clik shorty  
Respect the name

(Chorus)

(Shorty)

(Steele)  
Cocks, cunts, drugs, booze  
Pamela Anderson, Penelope Cruz  
Jennifer Love Jennifer Lo  
Diaz Rahi ???  
Mia, Mya, Alicia, Tyra  
Vivica's a fox and Maria's hotta  
The Titi is fire  
And the Vica Secretes  
Came in with Calice and got all my peeps in

(Sean Price)  
I ain't been in the club since the romp and chub rock  
Doin the electric slide  
when it was called the bus stop  
When yall young niggaz was in school with ya luchbox  
I was in club Bentley's silk shirt and my gun cocked  
Red Parrot Rooftop  
20's of coke bitch niggaz got they jewels popped  
Yo, Shems to Baron shirt  
?? at Roxy  
Martini and Rossi  
I ??????  
Now that's tough

(Chorus)
