

Bootsy Collins, Can't Stay Away

I can't stay away, I can't stay away
I can't stay away, I can't stay away

I just can't stay away, I can't stay away
I just can't stay away, I can't stay away
I just can't stay away, I can't stay away
Can't stay the way

I can't stay away
I can't stay away, can't stay away
I can't stay away, I can't stay away
