

# Booty Luv, Some Kinda Rush

[beginning, chorus]

Feels like Some Kinda Rush

Yeah Yeah, So good

Wanna Show You How I Feel

Cant Get Enough

Turn it up

[Nadia]

Its like some kinda drug

Irresistible lust

It flows through my body

Its lifting me up

So outta control

Taking Over my soul

I cant escape it

Cause Im caught in the Zone

[Cherise]

My Pulse flows to the Tempe

Oh (I just cant escape, feeling tied and tied again)

Cant stop casuse Ive never felt so alive

[chorus x2]

[Nadia]

What feelings is this?

Desiorable bliss (Gives me butterflies)

Feels Like my first kiss (I just cant Deny)

I need this feeling to heal my belief in the moment

[Chersie]

My Pulse flows to the tempo

Oh I (I just cant escape, feeling tied and tied again)

Cant Stop casuse Ive never felt so alive

[chorus x2]

Some Kinda Rush

Cant Get enough

So turn it up (so turn it up)

Feels like Some Kinda Rush

Yeah Yeah, So good (feels good to me)

Wanna Show You How I Feel

Cant Get enough (oh no)

Turn it up

Feels like Some Kinda Rush (Turn it up)

Yeah Yeah, (Yeah) so good (So good)

Wanna Show You How I Feel (I Feel)

Cant Get Enough (Enough)
