

Borat, Throw The Jew Down The Well

In my country there is problem,
And that problem is transport.
It take very very long,
Because Kazakhstan is big.

Throw transport down the well (repeat line)
So my country can be free (repeat line)
We must make travel easy (repeat line)
Then we'll have a big party (repeat line)

In my country there is problem
And that problem is the Jew
They take everybody money
And they never give it back

Throw the jew down the well (repeat line)
So my country can be free (repeat line)
You must grab him by his horns (repeat line)
Then we have a big party (repeat line)

If you see the Jew coming
You must be carefull of his teeth
You must grab him by his money
And I tell you what to do

Throw the jew down the well (repeat line)
So my country can be free (repeat line)
You must grab him by his horns (repeat line)
Then we have a big party (repeat line)

Throw the jew down the well (repeat line)
So my country can be free (repeat line)
You must grab him by his horns (repeat line)
Then we have a big party (repeat line)
