Bosson, You're One in a Million

You're one in a million Oh Now You're one in a million Oh Sometimes love can hit you everyday Sometimes you can fall for everyone you see But only one can really make me stay A sign from the sky Said to me [Chorus] You're one in a million You're once in a lifetime You made me discover one of the stars above us You're one in a million You're once in a lifetime You made me discover one of the stars above us I've been looking for that special one And I've been searching for someone to give my love And when I thought that all the hope was gone You smiled, there you were, and I was gone I always will remember how I felt that day A feeling indescribable to me Yeah I always knew there was an answer for my prayer And you, you're the one, the one for me [Chorus] You're one in a million (0000000000)You're once in a lifetime (00000000000)You made me discover one of the stars above us (000000000000)You're one in a million (0000000000)You're once in a lifetime (00000000000)You made me discover one of the stars above us (000000000000)In the beginning I was cool and everything was possible they tried to catch me but it wasn't possible No one could hurt me it was my game Until I met you baby and we're the same And when you didn't want me, I wanted you Because the finer thing about it was I like the show I like it when its difficult, I like it when its hot and You know it's worth it that you found your heart [Chorus x2] You're one in a million oouuuh 000000 You're one in a million
