Boston, Foreplay/Long Time

It's been such a long time I think I should be goin', yeah And time doesn't wait for me It keeps on rollin'

Sail on, on a distant highway, yeah I've got to keep on chasin' a dream I've gotta be on my way Wish there was something I could say

(Well, I'm takin' my time) I'm just movin' on You'll forget about me after I've been gone (And I take what I find) I don't want no more It's just outside of your front door

Ah yeah yeah yeah It's been such a long time It's been such a long time

Well, I get so lonely When I am without you But in my mind, deep in my mind I can't forget about you

Good times, and faces that remind me, yeah I'm tryin' to forget your name And leave it all behind me You're comin' back to find me

(Well, I'm takin' my time) I'm just movin' on You'll forget about me after I've been gone (And I take what I find) I don't want no more It's just outside of your front door

Yeah yeah yeah yeah It's been such a long time It's been such a long time

Yeah!

It's been such a long time I think I should be goin', yeah And time doesn't wait for me It keeps on rollin'

There's a long road, I've gotta stay in time with, yeah I've got to keep on chasin' that dream Though I may never find it I'm always just behind it

(Well, I'm takin' my time) I'm just movin' along (Takin' my time) Hey, just movin' along (Takin' my time) Takin' my time (Takin' my time) Yeah

(Takin' my time) (Takin' my time) (Takin' my time) (Takin' my time)
