

# Boston, My Destination

(Scholz)

And  
Feelin' the way I do  
Wouldn't last a mile without you  
When I'm losin' the way, the things that you say  
Take me there  
My destination  
My destination  
Is by your side  
Right by your side

And I  
I've taken so long, I know  
Never had so far to go  
It's not where you can be, it's what you can see  
That takes you there  
Your destination

Your destination  
It's here inside, right here inside
