Boston, Smokin'

(Scholz, Delp)

We're gonna play you a song, a little bit of rock-n-roll You gotta let yourself go, the band's gonna take control. We're gettin' down today We'll pick you up and take you away Get down tonight

Smokin', Smokin' We're cookin' tonight, just keep on tokin' Smokin', Smokin' I feel alright, mamma I'm not jokin', yeah.

Get your feet to the floor, everybody rock and roll You've got nothing to lose just the rhythm and blues, that's all, yeah We're gonna feel ok We'll pick you up and take you away Get down tonight.

Smokin', Smokin' We're cookin' tonight, just keep on tokin' Smokin', Smokin' I feel alright, mamma I'm not jokin', yeah.

Everybody jumpin', dancin' to the boogie tonight Clap your hands, move your feet If you don't you know it won't seem right We're gettin' down today We'll pick you up and take you away Get down tonight

We're gettin' down today We'll pick you up and take you away Get down tonight, well alright!
