

Bouncing Souls, Argyle

I know i'm not a bad guy when i try to do what's right
everyone who comes to me don't see my plight.
Everything i've ever done all the plans i've
had in sight always missed and gone wrong
in a way until i gave up and
said alright let me alone cuz no one
wants to be hanging around with
someone messin up like me i guess my way
isnt good enough when i try i
just keep on wrecking stuff
it seems everybody knows but me
how to go what to do and where to be
everywhere i go they all talk the same
they don't even have to try they make me feel
so lame friends and jobs have come and
gone no matter what i do it goes on
and on i wonder if you sometimes feel
this way and do you lay awake at the end
of the day when i lose everytime
i win cuz no one will ever be messin up
stuff doing things wrong quite
like me no one will ever be like me.
