

Bouncing Souls, Pervert

[Descendents cover song]

don't you think it's time i let you know don't you think i should before you go i'm not gonna let you go
you night and day i'm a pervert i like to go out on dates see a movie, communicate we'll go home and
you, sure you're the only one then when i leave your house i smell of sex then i know i'm a pervert,
know i'm a pervert, because i want it want it all of the time don't you wonder sometimes what i want
think i just want your - cunt i'd hate to think that romance is just a pose but all i want to do is rip off
pervert i like to hold you in my arms you know i wouldn't do you harm i never take advantage, in my
somehow i find myself caressing your skin then there's one word on my mind and that word is - fuck
