Bouncing Souls, Pervert

[Descendents cover song]

don't you think it's time i let you know don't you think i should before you go i'm not gonna let you g you night and day i'm a pervert i like to go out on dates see a movie, communicate we'll go home a you, sure you're the only one then when i leave your house i smell of sex then i know i'm a pervert, know i'm a pervert, becase i want it want it all of the time don't you wonder sometimes what i want think i just want your - cunt i'd hate to think that romance is just a pose but all i want to do is rip off pervert i like to hold you in my arms you know i wouldn't do you harm i never take advantage, in my somehow i find myself caressing your skin then there's one word on my mind and that word is - fuc
