

Bouncing Souls, The Gold Song

I saw you from across the street today,
My heart skipped a beat today,
Reminded me of those lost days,
And glory never fades (never fades)
Fades away.

I've been using miles my broken feet
Walk back to you off this broken street,
I guess the years went by,
But the years just made you shine,
And never fade, fade away.

I heard someone say,
That nothing gold can stay,
But there's a love in all our souls,
And it shines like gold.
It shines like gold.

I saw you from across the street today,
My heart skipped a beat today,
Reminded me of those lost days,
And glory never fades.

Years pass by and you remind me,
Those things will always find me,
Young hearts are made of gold,
That never fades away,
Never fades, fades away.

I heard someone say,
That nothing gold can stay,
But there's a love in all our souls,
And it shines like gold.

As the years pass by,
A young heart beats inside,
These dreams of yours and mine,
That time can't take away (take away)
Take away.

I heard someone say,
That nothing gold can stay,
But there's a love in all our souls,
And it shines like gold.

I heard someone say,
That nothing gold can stay,
But there's a love in all our souls,
And it shines like gold,
It shines like gold,
It shines like gold.
