

Bounty Killer, It's Ok

[Intro:]

Sincerely I know she can hear me (I know she can)
From my heart I'm saying I'm sorry my dear (From my heart way down)
I'm sorry for all the wrong I've done and all the pain I caused
But two hearts become one and that's a bond
I need you in my life not as a memory
I need you to be there to journey needs like my love attorney... huh!

[Verse 1:]

My eyes can see more clear as long as your standing there
Seems like I'm in a dream or things ain't the way they seem
Sorry if I treated you bad or if I ever made you sad
I didn't mean to get so mad you're the best thing I ever had
I don't know what to do I'm so in love with you
I hurt you yes it's true but I got a few words for you

[Chorus:]

It's ok... it's alright... I'm gonna make it to the morning flight
I'm gonna do all the things you like... like champagne and candlelight

[Verse 2:]

Touch your body when the mood is right (Right) make you tingle with the light
And later on in the night were gonna make love till morning light
Baby don't let love go mi seh let love stay
I want us to be together till we old and gray
Don't leave me in the sorrow nor in dismay
A reply from you would simply make my day
I was a fool to make she pack and go away
Now lonely is the price that I got to pay
I guess I gotta be the playa everybody want me to be (That you want me to be... be)
And I could'nt get to see the things that you want me to see
(That you want me to see... see)
I want you in my life I don't want you as a memory (Not as a memory)
Well life wouldn't be complete without this woman by my side
I'm so obsolete the stupid ways of mine
I would a never repeat if this world was mine
I would a give you to keep play a safe to a keep
Gal yuh lovin nuh cheap and mi nuh undastand
How could I be such a creep? It cut me like a knife
And now I'm hurting deep many nights mi nuh sleep
May I moan and weep and mi heart skips a beat

[Chorus:]

It's ok... it's alright... I'm gonna make it to the morning flight
I'm gonna do all the things you like... like champagne and candlelight
It's ok... it's alright... I'm gonna make it to the morning flight
I'm gonna do all the things you like... like champagne and candlelight
It's ok... it's alright... I'm gonna make it to the morning flight
I'm gonna do all the things you like... like champagne and candlelight!
