

Bow Wow, Caviar

[Chorus - Bow Wow] + (Snoop Dogg)

On a mission whisin' upon a star

Young Bow Weezy with the caviar

(In the back of a limo, make them others seem surreal

Breakin niggaz down like Evander Holyfield, geah)

[verse 1]

I might come to your toooooown, shut a show dooooooown (okay)

Got the whole crowd screamin', "Lil' Bow Woooooow"

Without the "Lil'" but I'm still on top

Back with S.S.D. record sales won't flop (nah)

That's what you thought, but I'm in that new Porshe

No box earrings, chain on no watch (that's big)

Picture a grandfather clock with DII-amonds

That's just the kinda mind state that I'mmm in

Caviar, Cartier, carterdrop

On my neck, call her dead cute shorty called liner (come heeere)

I'm on my p's and my q's

Stones green to the blue 23's when I cruise

Feel my calf muscle on the gas and the brake pedal

Ain't another youngin' on my bank level (where you at?!)</p></div>

and if it didn't, then you slippin', catch up

It's right thurr, up to date, please see clurrr, its no blurrr, yes surrr

[Chorus 2 with Snoop and Bow Wow's line switched back around]

[Snoop Dogg]

Shootin' niggaz down, slappin' bitches up
Straight cash strut with some Henny in my cup
Rude for the hell of it, I should be the president
Aye yo homey, Doggy Dogg got the medicine
(Where, where?) In the cabinet, I'm the magnet
of attracting the baddest bitches on the planet, dig it (dig it, dig it)
I once was a pup, neva scared to run up
I did it 'til the day I came up
and stars do shine, I take my 32 lines and try to make you unwind
First I, chop 'em and den some, flop 'em then flip 'em
Break 'em and bend 'em, then fix 'em
Convince 'em to buy my records, 'cause you know it's all hits
Spread the word 'cause you know it's the shit!
Quit playin', go get it, quit hesitatin'
It's the young and the big on tha real my nig'

[Chorus 4X]
