[Verse 1]

When I was 8 I was rhymin not back yard game playin  
Watchin Snoop anxiously and waitin for my chance man  
Hot and cocky wit it cause I kno that I am man  
I'm goin down in history like American Band stand  
I stay fresh to def like the neighborhood dope man  
I stay on the top cause I keep comin wit dough man  
You steady watchin stealin but there ain't no hope man  
You dealin wit somethin bigger than the US oh man  
And ain't no jokin  
Fresh like fatlaces and dukey ropes and I keep on smokin  
Young but I'm ready so that means I'm strokin  
Look at me now days girl a dawg is pokin  
Addicted to it J.D. say I got it bad  
18 nigga makin more than yo dad see  
They think they doin it but I'ma out do em  
If you kno somebody like that pull up and say to em

[Chorus]

Ye ain't ridin (ye ain't ridin)

Big house, big cars what you expect man

Just to get a glimpse girls breakin they neck man

Blinded by the light glistenin off the Breitling

Bow hot as ever I ain't lost no step

Straight t-shirt, sneakers I ain't tryin to go prep

Like these lil r 'n' b groups that need my help

Wish they had my style wish they had my rep

But oh no, you'll never have it like me man

And if you can't understand this is what I'm sayin

[Chorus]
