

# Bow Wow & Omarion, Get It Poppin'

Listen take a few minutes to mellow out

The name's Weezy, girls, I wanna tell about

How I got them screamin' at the top of their lungs and

Let's get it poppin, let's get it jumpin

Ain't nothin to the young dog, one yard

Chalk's up, soon as I bark, I'mma muns top

B-Wizzle, swizzle, is you

Crazy baby, I'm rain, them boys just drizzle

No more tryin to be like Mike

Cause even Mike Jordan's two boys wanna be like I

All I ever hear when the girls go by is

"WHY AM I SO FLY?!"

I don't know, but uh,

(CHORUS) Let's get it poppin

Let's get it jumpin' (4x)

(Hook) I go by the name of Bow Weezy and

All the other law always be geesy and

I gotta do my thing to get the cheese again

You can't see me the better believe me man

Now I'm back for ya, to the swiss track for ya

When the giving's up, and I'mma get stacked for ya

It's me, please, when you believe

The ease that I run through them sucker emcees

B-dub, like, hit the club, I fix 'em up to swiss the mixes like drugs

So, watch the club's get, high, yi, ya!

Feel like Kally when I drop by

Bodies droppin, all the mommies fakin'

Watch the kid eat paint, chains gangsta ain't it

Anxious to drop, the famous in the drop, get acquainted

Wit the hottest in entertainment

(go to chorus then to hook)

I can't lie, I love b-o-o-t-y, why?

Cause I never let it walk on by

When I see it in 'em Shago jeans

Crazy how baby's legs bustin from the scene like

Uh, uh, uh!

All over the track to the

Uh, pardon me, uh! Get up in the 'Lac

Just, sit inside the Denelli and relax

She was mentioning this, the way she threw it back like UH!

Why must I chase the cat, as I blaze the track

The snare, the hi hat

The base line is mine, the monitine canine, fenine

Now ya'll sing it line from line, now come on!

(Go to chorus then hook)
