Ima b pimpin

I dont be slippin

When it come down to these hoez

I dont love em

We dont cuff em

Man thats just the way it goes

I pull up in the Phantom

All the ladies think handsome

Jewelry shining, I stay stuntin

Thats why these niggas cant stand em

Ima chick mag-a-net

And anything fine im bag-gin it

And if she got a man, I dont care

10 toes and I wanna be, cause I gotta have it

Now-Now who do it like B-O-dub

Girls on me when I walk in the club

Game aint tight, Ima take yo chick

Thats it man now your girl in love

Witta rich nigga, fly young dude

Ride wit me lil mama cant lose

Dont get mad at me homie cause yo girl friend choose

See this is how goin down in da 6-1-4 from the Natty up to Cleveland even in Toledo

Ima boss and you know it

I got the money ima show it (Thats right)

If i give yo girl one chance to talk to me homie she aint gon blow it

HA-HA

Now the moral of the story is cuff yo chick, cause hey,

I'm black, fresh , and I rap, plus I'm rich, and ima flirt

[Chorus:]

Soon as I see her walk up in the club Ima flirt

Winkin eyes at me when I roll up on dem dubs Ima flirt

Sometimes when im wit my chick on the low Ima flirt

And when shes wit her man lookin at me damn right Ima flirt

So homie dont bring your girl to me to meet cause Ima flirt

And baby dont bring your girlfriend to eat cause Ima flirt

Please believe it unless your game is tight and you trust herrrrr

Then dont bring her round me cause Ima flirt

[Verse 2: R. Kelly]

Ima Ima Ima Ima flirt

Thats right I tell the truth and the whole truth

When it come to hoes I be pimpin like i supposed to, rollin em like I supposed to, shinin like I supposed to

In the club fuckin wit honeys like i supposed to

I dont understand when a nigga bring his girl friend to da CLUB

Creppin all ova the floor wit his girlfriend in da CLUB

And wonder why all these playas tryna holla at her

Just soon as she go to the bathroom nigga Ima holla at her
A dog on the prawl when im walkin through the mall
If I could man I would probably flirt wit all of yall
Yea- yea homie you say she yo girlfriend
But when I step up to her, Ima be like tarzan
Believe me maine this is how dem playas do it in the CHI
In plus we got them playette foolers in the CHI
Now the moral of story is cuff yo bitch
I'm black, handsome, I sing, cause im rich and Ima flirt

[Chorus:]

Soon as I see her walk up in the club Ima flirt
Winkin eyes at me when I roll up on dem dubs Ima flirt
Sometimes when im wit my chick on the low Ima flirt
And when shes wit her man lookin at me damn right Ima flirt
So homie dont bring your girl to me to meet cause Ima flirt
And baby dont bring your girlfriend to eat cause Ima flirt
Please believe it unless your game is tight and you trust herrrrr
Then dont bring her round me cause Ima flirt

[Bridge: Bow Wow]
