I'm the prince of the hip hop game that's right

All you other little nigga's stay in your lane

I see yall doin ya'll thing but ya'll ain't this main

Took me 13 years to get like this man

In the Bently G.T ridin on rims like Dem Franchize Boys

I'm a franchise boy!

In every magazine

The girls love 'em love 'em

Niggas hate but you can't place no one above 'em

Number one draft pick young bow weezy

I make this whole rap thang look so easy

I make the crowd go crazy like Young Jeezy

50 kts. on my chain man it's kinda breezy

And I gets cash money like little weezy

Please believe man I got Ohio runnin' wit me

Been through alot of bull shit in the past year

Relationships, a couple rumors

Ya'll no how it is

Big say the best mo money mo' problems

The mo money I made came mo' problems

After the problems came mo' drama

Even my own mama said don't trust nobody

I only trust God and I only trust me
