

Bowling For Soup, Greatest Day

I've got the keys to the car
I'm goin' out on an afternoon vacation
They all know where I'm gonna go

The sun is shinin' down and
There's no one else around now
I wish you were here to hear me say
This is gonna be my greatest day

How far would I go
How long would I stay
To see it all
To carry it all back with me again
How hard would I try
Just to hear everybody say
This is gonna be my greatest day

Standin' here lookin' out on the world
For a second nobody's lookin' back at me
I never even notice where they go

The sun is shinin' down and
There's no one else around now
I wish you were here to hear me say
This is gonna be my greatest day

How far would I go
How long would I stay
To see it all
To carry it all back with me again
How hard would I try
Just to hear everybody say
This is gonna be my greatest day
My greatest day
My greatest day

I've got the keys to the car
I'm goin' out on an afternoon vacation
They all know where I'm gonna go

The sun is shinin' down and
There's no one else around now
Wish you were here to hear me say
To say
This is gonna be my greatest day
My greatest day
My greatest day

My greatest day
(How far would I go)
My greatest day
(How long would I stay)
My greatest day
(Just to carry it back with me again)
My greatest day
(How hard would I try)
My greatest day
(Just to hear everybody say)
This is gonna be my greatest day
