Bowling For Soup, The Bitch Song

Is it OK if I speak to you today? You've been pissed off for a week now But nothing I could say could make you look up Or crack up Is there anything that I can do Anything to show you

You're a bitch
But I love you anyway
Oh you can't sing
But you still put me to sleep
Baby
You're a bitch
Hey hey
Hey hey
You make me sick
But don't ever go away

So you tell me that there's nothing left to say I drive you face the window
Then you're in my face telling me to grow up I wish you'd grow up
I can't wait until you fall asleep
I wonder if you know that

You're a bitch
But I love you anyway
Oh you can't sing
But you still put me to sleep
Baby
You're a bitch
Hey hey
Hey hey
You make me sick
But don't ever go away

La Whoa! Uh!

You're a bitch
But I love you anyway
Oh you can't sing
But you still put me to sleep
Baby
You're a bitch
Hey hey
Hey hey
You make me sick
But don't ever go away

Yeah you're a bitch but I love you anyway So why don't you... Stay
