Bowling For Soup, Trucker Hat

This is the song that reminds me of my trucker hat
That I used to wear not to block out the sun
With a john deere logo and a stain on the back
From where you laid me out flat one look I was done

And all these things mean nothing to me
When Im with you Ive got everything
I can walk and I can need
Even god he would agree
You and I were meant to be
Its easy to see

Ill never go out of style on you
And nothing really feels the way you do
Nothing in the world could ever make me look as good
When you fit me like you do

This is the verse about the Parachute pants
That I learned to break dance in and thought I was good
So much for believing the fat guy doesnt win
get the girl in the end I never thought that I could

And all these things mean nothing to me
When Im with you Ive got everything
I can walk and I can need
Even god he would agree
You and I were meant to be
Its easy to see

Ill never go out of style on you
And nothing really feels the way you do
Nothing in the world could ever make me look as good
When you fit me like you do

Im not the perfect guy
a little slow but Ive
Got perfect timing with you
Take a look around
Outside the in crowd
There aint nothing we cant do

[3X]
Ill never go out of style on you
And nothing really feels the way you do
Nothing in the world could ever make me look as good
When you fit me like you do
