

Box Car Racer, All Systems Go

I left my fear behind me,
Of those lights out by the station,
The government is lying,
The use they won't believe them,

We can't go
Wrong can't get
Fought this time
Speak up now
Lose or get
Left behind

When will this be over,
This cold and bitter season,
The government is lying,
The truth is found with reason,

We can't go
Wrong can't get
Fought this time
Speak up now
Lose or get
Left behind

We can't go
Wrong can't get
Fought this time
Speak up now
Lose or get
Left behind

We can't go
Wrong can't get
Fought this time
Speak up now
Lose or get
Left behind

We are the
Underrated
All forgotten
Kids who made it
Speak up now
Lose or get
Left behind.
