

# Box Car Racer, Cat Like Thief

I fell down again  
But I can't complain  
Another false step  
Could drive me insane  
I only got myself here to blame  
So I shake off the feeling and I start again  
Oh, no I said  
I want to go back  
But I can't win the shit  
And I'm gonna stay on track  
Yeah  
Make a deal like that  
I keep my head up  
But I never react

I wrote it down a list a month ago  
Sixteen chapters of one thing you've blown  
The best thing yet to help you  
Through and through  
That she was  
I feel her more than you

Don't leave  
Don't leave her

Yeah

I get up  
Just to get knocked back down  
I sit up  
Just to get knocked all around  
I wanna say something  
But you're out of town  
I don't wanna have another  
Short down  
I say stand up hey, yo  
Lets make it clear follow you home no  
You were not there you saw him comin' jump  
You disappear  
home alone every night  
Seems so clear  
You think you see me here  
All along got my crew comin' now  
1 by 1  
2 by 2  
3 by 3  
4 by 4  
Let's do some more

Call me back when word is that she's gone  
Cat like thief she stole air from my lungs  
Leave me standing on this lonely grave  
I dug it out in case she turns away

Don't leave  
Don't leave her  
Don't leave  
Don't leave her

You think you've seen it,  
All along got my crew comin'  
1 by 1  
2 by 2  
3 by 3

4 by 4  
Let's do some more

Don't leave  
Don't leave her  
Don't leave  
Don't leave her  
Don't leave  
Don't leave her  
Don't leave.
