

# Box Car Racer, I'm alone unreleased

I Sit Here Thinkin' of What to Do,  
Should I Run and Spare My Love to You  
Or Should I Sit Down and Think About My Thoughts  
I Don't Know What My Teacher Taught!

(Chorus)

I'm Alone!

All Alone!

Carry Me,

From the Ground

And Throw Me All Around

Anotherday Went By

I'm Feeling Very Dry

I'm Sick of All Those Fuckin' Words

That You Left Under Neath My Head

&quot;It's Called a Brain&quot;

(Chorus)

Alone..alone..alone!!!!

(Chorus)

(Long Solo)

Oh Fuck This Shit

That Fuckin' Slapped Up Bitch

Go to Hell You Fuckin' Twat

Leave Me, Leave Me From Comin Back

Your Just a Fuckin' Cock Suckin' Harry Ass Dick

Blowwer! Get Away From My Life

I'd Rather Be Alone

(Silence)

Shittttt

You Fuckin' Fuckin' Fuckin' Fuckin' Suck!!
