

Boy George, Love Is Leaving

So Much Regret for Such a Young Heart
But in the end who can you blame
I'm not a fool, I'm here on your side
I won't hear
your lies again
Hold Me tonight
'Cause I'm blind with uncertainty
I won't hide
this fear inside
'Cause I know
Love is Leaving Me
Yes I know.
Gone around in circles for the last time
I build you up
you pull me down
to see you strong
That's my desire
You wear the crown
You wear the crown
Hold Me tonight
'Cause I'm blind with uncertainty
I won't hide
this fear inside
'Cause I know
Love is Leaving Me
