

# Boy George, Love Is Love

Love Is Love

You don't have to touch it to know  
Love is everywhere that you go  
You don't have to touch it to feel  
Love is every second we steal

Love is Love is nothing without you  
Love is Love is everything you do  
Open up your eyes and you will see  
Love is Love is everything to me

You don't have to touch it to be  
Wrapped up in emotion like me  
Everyone must feel how I do yeah  
Love is just to be close to you

Love is Love is nothing without you  
Love is Love is everything you do  
Open up your eyes and you will see  
Love is Love is everything to me

And you know that love is Love  
Its written in black and Blue  
And everything you say must bring her closer, closer to you...  
..Baa Baa...Baa Baa...Ba Baaaaaa

You don't have to touch it to know  
Love is everywhere that you go  
You don't have to touch it to feel  
Love is every second we steal

Love is Love is nothing without you  
Love is Love is everything you do  
Open up your eyes and you will see  
Love is Love is everything to me

Love is Love is nothing without you  
Love is Love is everything you do
