

# Boy George, Move Away

Moving, Moving  
Move away  
Move away

Spirit changed the conversation  
Stepping stones across the land  
I never wanted to be a hero  
I never wanted to be a man

I hurt you darling, I made you cry  
I hurt you darling, don't ask me why

Move move move away from me darling  
I never said I'd hold your hand  
Move move move away from me darling  
I never said I'd understand  
If I could say this was judgement day  
You know I'd be a millionaire

I'm prepared to wear my sorrow  
Everywhere we go in town  
Ain't no need to beg or borrow  
While you're there to drag me down

I hurt you darling, I made you cry  
I hurt you darling, don't ask me why, oh yeah

Move move move away from me darling  
I never said I'd hold your hand  
Move move move away from me darling  
I never said I'd understand  
If I could say this was judgement day  
You know I'd be a millionaire, yeah, yeah

(Justice right)  
Move away  
I need you so  
I can't let go

I hurt you darling, I made you cry  
I hurt you darling, don't ask me why, oh why

Move move move away from me darling  
I never said I'd hold your hand  
Move move move away from me darling  
I never said I'd understand  
Move move move away from me darling  
I never said I'd hold your hand

(Moving moving)  
Move away  
I never said that I'd hold your hand  
(Move move move away  
why don't you move)  
I never said that I'd understand  
(Move away oohoo) Move away move away  
(move move move away  
why don't you move)
