

Boy George, Move Away

Moving, Moving
Move away
Move away

Spirit changed the conversation
Stepping stones across the land
I never wanted to be a hero
I never wanted to be a man

I hurt you darling, I made you cry
I hurt you darling, don't ask me why

Move move move away from me darling
I never said I'd hold your hand
Move move move away from me darling
I never said I'd understand
If I could say this was judgement day
You know I'd be a millionaire

I'm prepared to wear my sorrow
Everywhere we go in town
Ain't no need to beg or borrow
While you're there to drag me down

I hurt you darling, I made you cry
I hurt you darling, don't ask me why, oh yeah

Move move move away from me darling
I never said I'd hold your hand
Move move move away from me darling
I never said I'd understand
If I could say this was judgement day
You know I'd be a millionaire, yeah, yeah

(Justice right)
Move away
I need you so
I can't let go

I hurt you darling, I made you cry
I hurt you darling, don't ask me why, oh why

Move move move away from me darling
I never said I'd hold your hand
Move move move away from me darling
I never said I'd understand
Move move move away from me darling
I never said I'd hold your hand

(Moving moving)
Move away
I never said that I'd hold your hand
(Move move move away
why don't you move)
I never said that I'd understand
(Move away oohoo) Move away move away
(move move move away
why don't you move)
