

Boy Hits Car, Benkei

Benkei
Hey!

You're so beautiful...

Insecure

Like a tire.

You're always locked up by yourself.

Wasn't there when you died.

I didn't get to bury you...

I didn't get to bury... *look at you* -

One last time

You're so beautiful...

You're beautiful...

First I'll wait

These patches are blown.

The system is in my heart.

Are you happier now?

You know I loved you...

But I think I love you more -

Now that you're gone...

Oh, you're beautiful

You're so beautiful...

When you ran through the fields...

With all those pretty flowers

That smelt good.

Got to run... through the fields.

Had to run... do you run?

You're so beautiful...

(Bring me back to the fields... 'cause I'm *losing power.*)
