

Boy Hits Car, Playa

I think I could love
You people
I think I could love
Some of you people
If you weren't so afraid
Of what you don't know
Sometimes you're so afraid
Of what you don't know
But you say that that's not so
Can you see your children
Looking to the sea
I have watched all your children
Looking to the sea
If you just would understand
But you won't know
You never understand
And so you won't know
But you'll say that that's not so
And you'll say that that's not so
It's so frightening to see you burn
It's so beautiful to watch you cry
And now I'm going to fly
And you won't know
And now I'm going to fly
And you won't know
Still you'll say that that's not so
I think I can love
You people
Sometimes I think I could love
Some of you people
If you weren't so afraid
